

UPSTATE WATER RESOURCES, INC.
PROTECTION OF CUSTOMER DATA

3/23/22

Upstate Water Resources, Inc. has 2 small water systems we manage. Both sub divisions are governed by an association with a board of directors. We send a monthly invoice to the designated person for the association and they approve the payment and send a check.

We do not have any paperwork or electronic copy of individual homeowners' data. All we have is the contact information of the designated person to send the monthly invoices to.

We do not share any information with any 3rd party.

If you have any questions please feel free to contact me at 864-884-4900.

Thank you,

Upstate Water Resources, Inc.
